You have a video visit scheduled. <b>Important Notes:</b> Insurance coverage for these visits vary based on your plan and benefit structure but during the current state of emergency coverages are being extended. We will be submitting a claim to your insurance company. After your coverage has paid, we will be sending you a bill for the remaining balance based on your insurance company's explanation of benefits. Please contact your insurance company if you would like more information regarding your coverage for this service.
